Dear Parents and Carers

PARENT SCHOOL ADVISORY COMMITTEE MEMBER ELECTION

To support our school on its improvement journey in bringing 'outstanding achievement for all' to your children we are seeking new members for the school's local governing body, the School Advisory Committee. Ambitions Academies Trust aims for a positive and purposeful partnership with parents as this is undoubtedly of great benefit to all of the children.

One of the most significant ways you can help in promoting this aim is to volunteer to be a parent governor on the School's Advisory Committee. The committee's main objectives are to provide support and challenge to the school, ensure that all pupils receive a high-quality education and plan for future development and improvement.

Parent members are welcomed as valued members of the governance team and play a vital role in ensuring the committee is aware of the views of parents and the local community. We are confident that there are parents prepared to volunteer to take on this key role and give their time and commitment to help us continue to develop and provide the best possible education for our young people.

LeAF Studio currently has two parent member vacancies for an enthusiastic and committed parent or carer to join the School's Committee.

The Committee meets once each term with meetings taking place at the school. Committee members are also expected to visit the school each term, during the school day, for monitoring visits and are encouraged to support school events.

There are no special qualifications needed as the most important aspects of the role are to have a keen interest in the school, a willingness to play an active part in the Committee's work and a readiness to participate in school life.

New committee members will undertake a comprehensive and supportive induction programme. Governance training and ongoing support will also be available.

If you are interested in applying for the role please complete the attached form and return it to the school office by Monday 2nd November. If there are more nominations than vacancies, an election will be held on Friday 13th November and all parents will be sent a voting paper.

When nominating yourself or someone else for the role of parent committee member, you are nominating the person you believe has the skills and commitment to undertake the role. You are also nominating someone you trust to represent the views of parents when working with the other

committee members and the Principal and to promote high standards. The parent committee members' role is not to represent individual parents' views or to report back directly to parents. Nominations must be from parents, or individuals exercising parental responsibility, of a child at the school at the time of application.

The enclosed information sheet summarises the circumstances under which someone is not able to serve as a committee member.

Should you have any questions about the role please contact Emma Collins, Clerk to the School Advisory Committee at her ECollins@leaf.bournemouth.sch.uk email address.

Yours sincerely
