

1 Teaching

- All subjects completed learning journeys and planning including specific Covid-19 learning journeys to ensure full coverage for years 11 and 13
- Baseline assessment for years 9, 11, 12 within first four weeks to identify gaps
- Printed Knowledge Organisers for all disadvantaged students to support Home Learning and quizzes set to support embedding into long term memory
- All lesson outlines online in Microsoft Teams a week ahead
- Weekly well-being survey monitored and feedback where students have been identified as requiring support
- Consistency checks and learning walks across the school
- Intervention at break, lunch and after school for identified students
- Identified literacy intervention groups in years 9 and 10

2 Targeted academic support

- National Tutor Programme
- Hegarty Maths
- Printed Knowledge Organisers for disadvantaged

3 Wider strategies

- Heads of Year making contact with students self-isolating during their absence
- IT equipment to support BTEC
- Additional transport due to Covid-19
