The effectiveness of our Careers Programme is currently measured against the Gatsby Benchmarks and we review our status twice a year using the Careers and Enterprise Compass tool.

Careers is taught throughout both KS4 and KS5 at LeAF Studio through Specialisms so students perform to their potential

Weekly sessions with employers and professional from both Sport and Performing Arts industries

Remember that ALL subjects will have bits of careers education in them as well and you can speak to ANY staff member about careers.

Extensive UK and international research shows that careers in the curriculum can have some positive impacts on outcomes for young people.

Before LeAF Studio? Specialism in Sport? Specialism in Performing Arts?
