Dear Parents and Carers

The Government has requested schools and Sixth Forms Covid test students twice on their return to education in September 2021 as we did in March 2021.

To ensure learning is not interrupted twice within the first week of return, we are requesting students attend LeAF on **Friday 3<sup>rd</sup> September** to complete their first test. As previously, students will return home immediately after being tested and will be notified of their result through the NHS app. If your child is displaying any of the Covid symptoms (as listed by the NHS) then they must not attend site but must instead book a PCR test at the earliest opportunity.

Please can I ask ALL parents complete the MS Form [here](#): whether you are consenting or not, so we have a record of this as required. The full link, if required is: <https://tinyurl.com/covidconsent2021>

The second test will be carried out at LeAF on Tuesday 7<sup>th</sup> September during lessons for those on site, again ensuring learning disruption is minimised. BAMM and Rockley students have been allocated a slot to allow them time to travel to their educational site following the test.

DSA students are different days due to a later induction start date.

We will only directly contact students who have reported a positive result for the purposes of contact tracing.

I wish you all a lovely summer.

Kind regards
