Please complete the online form to express your interest in the shows we have secured by 28 September 2021 at midday. Once this deadline has passed, we will work on a first come, first served basis for each show that we have booked. You will be sent an email and the relevant amounts will be added to your ParentPay account with a set payment deadline. Failure to meet the payment will result in your secured place being offered to another student. Please do inform us if you do not wish to accept a place as we will undoubtedly have a wait list.

For shows taking place at Lighthouse, Poole, students must make their own way to and from the venue. If travelling home alone, please ensure a member of Performing Arts staff is advised in advance of the event via email.

For the show at Mayflower, we will return by coach to LeAF Studio, whereby students must be collected.

Please ensure that the contact details we hold for you and your child's medical details are updated where appropriate via our Reception team, to ensure we can generate an accurate trip registration document. The register document will be generated one week before each trip takes place.

By completing the online form and making payment for each trip, you and your child agree to follow rules and expectations set by LeAF Studio staff, dress appropriately for the theatre and agree to always wear a seatbelt when travelling by coach.
