Dear Parents and Carers

### Revision Guides

As always, we want to do everything we can to support our young people with their academic Studies, especially considering the amount of training they put into their specialisms outside of school. With this in mind, we have put together a list of recommended revision guides and text books for each subject.

Please see the full list of revision guides offered overleaf and discuss with your child which books are needed to support their studies. As a school we can often gain discounts on the recommended retail price charged in shops, we will place two orders within the Academic year; October and January.

The revision guides are now available for you to purchase via **ParentPay**. The deadline for ordering is **Monday 31st October**, orders then will be placed and books distributed to you child in school. Any orders received after this date will be processed in January at the next order point.

If you have any questions about these, please contact your child's subject teachers and they will be able to provide you with further information.

Yours sincerely

Mrs E Collins  
Office Manager
