Dear Parents and Carers

PERIPATETIC MUSIC LESSONS

We are excited to announce the launch of our in-school Peripatetic Instrumental Lessons starting after Half-Term.

We have refined the offer from last year to provide a better value for students with highly experienced tutors that can provide individualised tuition to students, giving the greatest opportunity to develop their instrumental talents. We are currently able to offer lessons in Guitar, Bass, Drums & Vocals with a look to extend the range as the year progresses.

Lessons can be purchased via ParentPay for the price of £60, with each purchase giving 6 lessons that will take place weekly across the half-term. Discounts are available for Pupil Premium students, and this will be made available via ParentPay when purchasing.

Each 1-on-1 lesson will last 20 minutes and will be circulated on a weekly basis to avoid any sustained clashes with specific lessons. This means the impact on a student's academic learning will be minimalised, whilst developing valuable skills that can benefit their Specialism subjects and Technical Training choices.

Please direct any questions or queries to Mr Hayman at karl.hayman@leafstudio.co.uk or if you require further information.

Yours sincerely

Mr K Hayman
